

The C-Class Coupé

Mercedes-Benz

Never stop improving.

The C-Class Coupé embodies a special attitude: it never rests on its laurels and demonstrates innovative prowess time and again.

The C-Class in its sportiest form.

The C-Class Coupé boasts a perfectly toned body. Its dynamic lines and clear-cut, muscular surfaces are the essence of sporty coupé design. Powerful styling features such as the new front bumper and the diamond radiator grille included as standard additionally lend a strong, individual character.

A high-angle, close-up photograph of the driver's side interior of a Mercedes-Benz car. The steering wheel is black with a perforated grip and features the Mercedes-Benz star logo in the center. It has silver-colored touch-sensitive controls on the left and right spokes. Behind the wheel, the instrument cluster is illuminated with a green and blue glow, showing a speedometer and a tachometer. To the right of the steering wheel, a large infotainment screen displays a menu with various icons and a globe graphic. The dashboard and center console are finished with dark, textured materials and silver-colored trim. The car's side mirror is visible on the left edge of the frame.

Innovative power from deep within.

Many of the control and display elements are completely new: the new steering wheel with Touch Control buttons and, according to specification, the fully digital instruments and larger displays, including a new infotainment generation, are state-of-the-art features that make operating the car a highly individual affair. Depending on the precise specification, the instruments can also feature the “Classic”, “Sporty” or “Progressive” display styles.

The C-Class Coupé is raring to go.

EQ Boost firstly implies fast acceleration, and secondly silent coasting in gliding mode with reduced fuel consumption. For this purpose, a petrol engine is intelligently electrified by an integrated starter-alternator.

Individuality at its most alluring.

The C-Class Coupé is a true design icon that sets a high benchmark in its category. Exclusive designo appointments available as an option can further refine and customise looks and comfort. Impressive paint finishes and high-quality interior aesthetics will thrill you.

Mercedes-Benz Intelligent Drive.

In the rush hour, during a long drive at night or on an unfamiliar route – your C-Class noticeably takes the strain out of driving, particularly in stressful situations. It's all down to a concept that makes every journey in a Mercedes-Benz a safer and exceptional experience: Mercedes-Benz Intelligent Drive. Because the time you spend behind the wheel is your time. Time for relaxation. Time to replenish your energy. So that, first and foremost, you reach your destination safely, but are also more relaxed when you get there.

COMAND Online.

You can get to your destination quicker and stress-free with COMAND Online, the premium navigation system which is perfectly integrated into the cockpit featuring the Mercedes look and feel. Thanks to Live Traffic Information and Car-to-X Communication, you can avoid traffic jams and be made aware of possible hazards even earlier, for example.

Smartphone Integration.

Smartphone Integration merges the mobile phone with the infotainment system via Apple CarPlay™ or Android Auto, giving you convenient access to the most important apps on your smartphone. You can also use apps from third-party providers such as Spotify quickly and easily.

Wireless charging system for mobile devices.

Driving time becomes charging time – with just a simple hand movement your smartphone can be fixed in place in the oddments tray where it is charged wirelessly. Irrespective of the model and brand, compatible smartphones are charged wirelessly.

Ambient lighting.

Showcase the interior according to your personal preferences or current mood. With a total of 64 colours, the ambient lighting gives you almost unlimited scope for lighting schemes, and has the right colour available for any situation.

ENERGIZING comfort control.

The ENERGIZING comfort control transforms your vehicle into an oasis of well-being through the intelligent combination of comfort functions such as climate control, lighting and fragrancing. Six perfectly compiled programmes can be activated easily to help relieve stress or boost alertness on long journeys.

Parking package with reversing camera.

With this package you can master even tight parking spaces effortlessly. Convenient: Active Parking Assist searches for a suitable parking space and then helps you to park in it. Peace of mind is the motto for the reversing camera, as the good overview of the rear end helps to avoid expensive body damage.

MULTIBEAM LED.

Perfect visibility for you: the adaptive MULTIBEAM LED headlamps with individually controllable LEDs react to the traffic situation. Partial main beam omits other road users without dazzling them. ULTRA RANGE Highbeam increases the range to the permitted maximum. The cornering light and active light functions also optimally light up the field of vision.

Standard equipment and appointments.

Thrilling design for genuine emotions: the exterior of the car in its standard guise is already stunning, featuring as it does powerful styling elements such as the diamond radiator grille with single louvre or the cutting-edge LED High Performance headlamps. The lowered suspension offers the perfect balance between dynamism, comfort and safety. With its design idiom and choice of materials, the high-quality interior already conveys a sporty lifestyle in the standard specification. The integral-look seats are a particular highlight: they offer a low, comfortable seating position and perfect lateral support – and thus pure driving enjoyment.

The AMG Line.

The expressive bodystyling of the AMG Line lends the exterior of the C-Class a sporty, exclusive touch. As such you can make a clear statement for powerful design. The technical features additionally provide you with more tangible driving pleasure, as the sports suspension tuned for agility and coupled with the Sports Direct-Steer system ensures emphatically dynamic handling. The AMG Line interior lends your vehicle a more visible and tangible sense of sportiness. With it, you make a bold statement and show immediately what matters to you: an ambience that is dynamic and exclusive in every detail.

The Night package.

More character – expressive style. In combination with the AMG Line, the Night package adds striking highlights in the form of exclusive black design features. These accentuate the sporty character and athletic design idiom of your vehicle. Ideal for individualists who appreciate an expressive design.

designo.

The designo range offers peerless, high-quality paint finishes. Your only problem is deciding between the superb metallic paint finishes and bright paint finishes with high-quality special-effect pigments. Our interiors philosophy focuses on maximum seating comfort and elevated aesthetic appeal.

DYNAMIC BODY CONTROL.

One suspension – three possible set-ups: with DYNAMIC BODY CONTROL, you can choose between maximum agility and high damping comfort. To match the route and personal driving style. The low suspension level and the Sports Direct-Steer system create the ideal conditions for adopting a dynamic driving style. The DYNAMIC BODY CONTROL suspension features continuously adjustable damping for both the front and rear axle. The continuously variable system controls the damping characteristics in conjunction with engine, transmission and steering characteristics for each wheel individually – to match the driving situation, vehicle speed and road surface condition. This variable configuration gives you superb ride comfort and outstanding driving dynamics.

FURTHER HIGHLIGHTS

It's possible to switch between a sporty and a comfortable configuration at the simple touch of a button thanks to the **DYNAMIC SELECT** switch in conjunction with one of the two suspension systems available: DYNAMIC BODY CONTROL or AIR BODY CONTROL.

4MATIC all-wheel drive.

4MATIC all-wheel drive improves traction and handling stability, especially in challenging road conditions. A real safety advantage in wet, snow and icy conditions. And a reliable basis for sporty driving.

AIR BODY CONTROL

With its continuously adjustable damping control at each individual wheel, **AIR BODY CONTROL** enables a particularly smooth ride. As such, you can drive in outstanding comfort, protect your back against avoidable stresses and arrive more relaxed at your destination. In addition, the suspension automatically adjusts to different vehicle loads.

No compromises.

Every Mercedes-AMG is a masterpiece in its own right, with an unmistakable character. What unites our performance vehicles and sports cars is their irrepressible sporting spirit. Their passion for top performance. It is generated at the point where engineering skill meets a very special attitude: the spirit of AMG. We believe that you have to keep on challenging limits in order to achieve new goals. We accept nothing as a given. Because limits are imposed by people, and it's also people who can overcome them. It's this attitude that enables us to achieve outstanding performance for the race track – and for the road.

Welcome to the world of AMG.

The best for the engine:
Mercedes-Benz genuine engine oils.

¹ Information about the rated output according to Regulation (EC) No. 715/2007 in the currently valid version. ² Available temporarily. ³ Electronically governed. ⁴ The stated figures were determined according to the prescribed measurement method. They constitute the "NEDC CO₂ figures" pursuant to Article 2 No. 1 Implementing Regulation (EU) 2017/1153. Fuel consumption figures have been calculated on this basis. More information about the official fuel consumption and the official specific CO₂ emissions of new passenger cars is available in the publication entitled "Leitfaden über den Kraftstoffverbrauch, die CO₂-Emissionen und den Stromverbrauch neuer Personenkraftwagen" ["Guidelines concerning the fuel consumption, CO₂ emissions and electricity consumption of new passenger cars"], available free of charge at all retailers and from Deutsche Automobil Treuhand GmbH (www.dat.de). The figures are not based on an individual vehicle and do not constitute part of the product offer; they are provided solely for purposes of comparison between different vehicle models. The figures will vary according to the optional equipment selected. ⁵ Information only valid within the European Union. May vary from country to country. ⁶ Determined on the basis of the measured CO₂ emissions, taking into consideration the vehicle mass. Only valid for Germany. *Weighted electrical consumption (kWh/100 km)/Electric range (km): XXXXXXXX.
