The GLC Coupé

Energising comfort and exemplary safety.

During rush hour, on long drives at night or on unfamiliar routes – your new GLC Coupé noticeably takes the strain out of driving, particularly in stressful situations. It's all down to a concept that makes every journey in a Mercedes-Benz a safer and exceptional experience: Mercedes-Benz Intelligent Drive. Because the time you spend behind the wheel is your time. Time for relaxation. Time to replenish your energy. So that, first and foremost, you reach your destination safely, but are also relaxed when you get there.

Driving Assistance package. Hit the road to autonomous driving: cutting-edge systems support you based on the situation with speed adjustment, steering, lane changes and even when there is a risk of collision. The risk of an accident is reduced – passengers and road users are protected effectively. This way you are able to reach your destination relaxed and safe.

The innovative **PRE-SAFE® Sound** system generates a sound signal through the loudspeakers that can trigger a protective reflex: your auditory system briefly disconnects, thereby protecting itself from the loud noise of a crash.

Earling Parking Assist with 360° camera makes it easier for you to find a parking space and to manoeuvre into and out of parking spaces. Here the choice is yours: park with ease yourself thanks to all-round visibility – or make things even easier still by getting the car to park for you.

Mercedes-Benz User Experience.

In the new GLC Coupé, you can now control almost everything as intuitively as you do on your smartphone. Simply by using the large touchscreen, the new touchpad, or the Touch Control buttons on the new steering wheel. One touch is all it takes to adjust the display style, the ambient lighting, or the infotainment to meet your needs.

To enable you to find your way in complex traffic situations, MBUX Augmented Reality Navigation links the virtual and the real world. The technology incorporates graphical navigation instructions and traffic information into live images. You can get to your destination quickly, safely and stress-free.

EXITY IN MEDICAL TO CONTROL CANNOT SISP LAY I CONVENIENCE S to you, it hangs on your every word and talks to you. You can converse with your car in a perfectly natural manner to adjust and control virtually all the functions in the car. Simply say "Hey Mercedes", and the new GLC Coupé will be all ears.

Fully digital instrument cluster.

The fully digital instrument display with the display styles "Classic", "Progressive" and "Sporty" lets you decide which information is important to you and in which way you wish to have it displayed. The 31.2 cm (12.3-inch) display delivers a pin-sharp image which is easy to read in all light conditions.

Burmester® surround sound system.

With the optional Burmester® surround sound system your new GLC Coupé becomes a concert hall. 13 high-performance speakers, a 9-channel DSP amplifier, a total system output of 590 W, and electronic and acoustic elements tailored precisely to the interior conjure up a unique sound. The surround function and the sound optimisation for the front and rear seats provide an even more intensive listening experience.

MULTIBEAM LED headlamps.

Perfect visibility for you: the adaptive MULTIBEAM LED headlamps with individually controllable LEDs react to the traffic situation. Partial main beam omits other road users without dazzling them. ULTRA RANGE Highbeam increases the range to the permitted maximum. The Active Light System and cornering lights also optimally light up the field of vision.

Sporty wheel design.

There's no stopping the new GLC Coupé – it is forever evolving. An even broader range of exclusive wheels is now available, offering a host of new rim designs. From 45.7 cm (18 inches) to 50.8 cm (20 inches), from elegant to sporty: the choice is yours.

Standard equipment and appointments.

The standard exterior already exudes style all round. This includes exclusive design features in chrome and attractive light-alloy wheels. The visible, chrome-plated tailpipe trim elements underline the vehicle's dynamic look.

The EXCLUSIVE interior.

The EXCLUSIVE interior allows you to show what matters to you: the utmost in elegance and top-class quality down to the most minute detail. The luxurious highlights and fine ambience of your interior, including exclusively styled seats and a dashboard with a high-quality trim, are designed to give you pleasure every day.

The AMG Line.

The expressive bodystyling of the AMG Line lends the exterior a sporty, exclusive touch. Your clear statement for powerful design. The technical features additionally provide you with more tangible driving pleasure, as the sports suspension tuned for agility and coupled with the Sports Direct-Steer system ensures emphatically dynamic handling.

The Night package.

The Night package adds attractive touches: many of the exterior features are finished in black. They underscore the sporty character and special individuality of your vehicle. And they demonstrate your sense of expressive design and exclusive sportiness.

DYNAMIC BODY CONTROL.

With the optional DYNAMIC BODY CONTROL suspension you can adapt the new GLC Coupé's damping and handling characteristics to your individual needs. At the touch of a button, for a noticeably more comfortable or more dynamic driving experience. Three modes are available for this: "Comfort", "Sport" and "Sport+", depending on whether you are looking for particularly comfortable, sporty or extra sporty handling. The damping is continuously variable and is adjusted individually for each wheel. For further enhanced driving safety and ride comfort.

4MATIC all-wheel drive.

On tarmac or light off-road terrain: with 4MATIC, the new GLC Coupé shows its special strengths in adverse weather conditions such as rain, black ice or snow. Thanks to the interplay between the individual wheels, the permanent all-wheel drive is able to ensure exemplary driving stability and traction at all times. For greater dynamism, comfort and safety all round.

The best for the engine: Mercedes-Benz genuine engine oils. ¹ Information about the rated output according to Regulation (EC) No. 715/2007 in the currently valid version. ² Available temporarily. ³ Electronically governed. ⁴ The stated figures were determined according to the prescribed measurement method. They constitute the "NEDC CO₂ figures" pursuant to Article 2 No. 1 Implementing Regulation (EU) 2017/1153. Fuel consumption figures have been calculated on this basis. More information about the official fuel consumption and the official specific CO₂ emissions of new passenger cars is available in the publication entitled "Leitfaden tiber den Kraftsotffverbrauch, die CO₂-Emissionen und den Stromverbrauch neuer Personen-kraftwagen" ["Guidelines concerning the fuel consumption, CO₂ emissions and electricity consumption of new passenger cars"], available free of charge at all retailers and from Deutsche Automobil Treuhand GmbH (www.dat.de). The figures are not based on an individual vehicle and do not constitute part of the product offer; they are provided solely for purposes of comparison between different vehicle models. The figures will vary according to the optional equipment selected. ⁵ Information only valid within the European Union. May vary from country. ⁴ Determined on the basis of the measured CO₂ emissions, taking into consideration the vehicle mass. Only valid for Germany. *Weighted electrical consumption (kWh/100 km)/Electric range (km): XXXXXXXXX
